Dear Nickolette

RE: LETTER OF TESTIMONY FOR COACHING AT NICKOLETTE AND ASSOCIATES

I would like to express my unreserved gratitude towards the assistance that I have received through your association. I have sustained well balanced work and family life style. Through your coaching I have been able to keep my spiritual, physical emotional being well alive while giving great attention to my work obligations. Further, I have been able to discover the inner gift that I never thought it existed. To this end, I and my wife have plunged into an initiative that we both thought was impossible. However, through your installed confidence, I have become a pillar of support for this.

May I thank you too that even my Team has shown a great deal regarding their self-awareness since they started interacting with you. Our level of engagement has pushed to a higher level that is motivating all of us to grow.

My I take this time to wish you a continued successful and influential life to those that you interact with. You deserve it.

Yours faithfully

Melusi Dube
